BOARD MEETING  
January 9, 1995

President Rhonda Gibson called the Board meeting to order at 8:00 a.m., Monday, January 9, 1995 at Jamie L. Damon Law Office, 115 E. Sioux, Pierre SD. Board members present: Bonnie Solem, Rhonda Gibson, William Schlosser, and Mary Miller. Executive Secretary Jamie L. Post was also present. Others present included: Tom Weber, Laurie Trinneer, Bob Johnson and Cathy Stavig.

Solem moved to approve the minutes of the October, 1994 meeting. Schlosser seconded. All in favor, motion carried.

#### New Business:

BARBER SHOP/BUSINESS - PARTITION: Gibson informed the board that she had been questioned by a barber about repairing television sets in his barber shop. Damon explained that SDCL 36-14-36(5) states that it is a petty offense to use any room or place for barbering which is also used for residential or business purposes, unless a substantial partition of ceiling height separates the portion used for residential or business purposes. This will be included in the inspection process and any shop found to be in violation will be written up and have to come in compliance.

NATIONAL ASSOCIATION - DUES: Damon reminded the board that they had requested a waiver of dues last year from the National Association due to the board's financial situation. This waiver was approved with the understanding that two years of dues would be paid in January, 1995. The board instructed Damon to write to the National Association, explaining that legislation is pending which would improve the board's financial outlook, and asking for a deferral of payment until the outcome of that legislation is known.

CONSULTANT CONTRACT: Damon explained that Michael Mehlhoff, then Secretary of the Department of Commerce and Regulation had been reluctant to approve her one year contract with the barber board based on the past years' finances and the fact that the past two years the board had not been able to pay Damon for the full year. A six month contract was approved. Action was tabled until the April meeting.

Old Business:

LEGISLATIVE REPORT: Weber reported to the Board that Representative Roe of Brookings is going to sponsor the bill for the Association. Damon explained that Trish Kusser-Wendt of the Department of Commerce and Regulation felt that someone for the board should testify in committee. It was also brought up that barbers should be encouraged to write to their legislators in support of this bill. Damon expressed concern that an emergency clause be included in the bill. Weber will keep the board informed of events and dates of committee meetings.

DEPT. OF SOCIAL SERVICES - CHILD SUPPORT ARREARAGES: For the board's information, Damon explained the process her office had employed to check the names of barbers against the state's master list. It was noted that in the future, social security numbers will be needed to verify these names.

NEXT MEETING DATE: The next meeting date is set for April 10, 1995 over the RDT network if there are no practical exams to be given.

ADJOURN. Solem moved and Schlosser seconded a motion to adjourn the meeting at 8:40 a.m. All in favor, motion carried.

Respectfully submitted,

Jamie L. Damon  
Executive Secretary
